## Holiday Events Galore

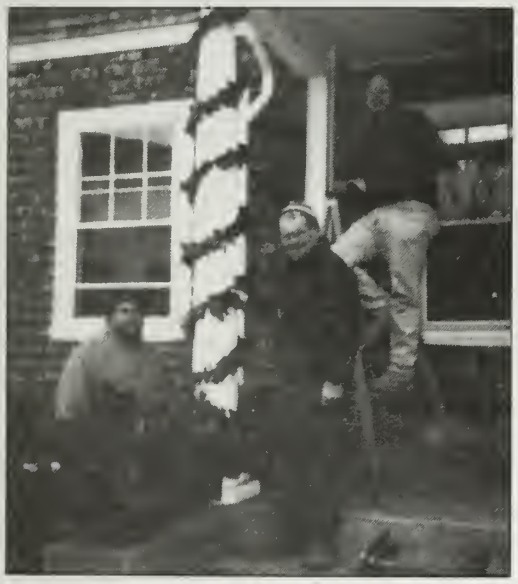
If anyone has any doubts about the holiday season now before us, they need only to take a look at the hustle and bustle of activity that has been bubbling over in the tri-town area. Following are just some of the many seasonal events which took place in and around Mattapoisett, Marion and Rochester this past week.

*Woman's Club Decorates Town Buildings*

Members of the Mattapoisett Woman's Club got a dose of holiday cheer last Friday (December 4) when they helped decorate a variety of town buildings including the Post Office, Town Hall, the Mattapoisett Historical Museum and Carriage House, the town library and the Mattapoisett Nursing Home.

Lead by Chairwoman Ann Shepley, the group "decked the halls" with eye-catching holly, red ribbons and holiday wreaths.

***Above:*** *Members of the Mattapoisett Woman's Club pictured outside the main Post Office which they helped decorate for the holidays. Seated (l. to r.) are Jean Boyden, Lee Yeaton, Jacqueline McCarter and Priscilla Hathaway. Standing (l. to r.) are Marion Donoghue, Florrie Smith, Joan Bruno, Catherine Hutchinson, Blanche Perry (on pole), Lisa Howard and Virginia Barden.*



***Left:*** *Looking over the fresh holly which now adorns the Mattapoisett Town Hall are (l. to r.) Building Inspector Andrew Bobola, Selectman Chairman John N. DeCosta and Board of Health Agent Dale Barrows (on ladder).*

***Cover Photo:*** *This classic holiday shot was taken last Saturday afternoon when an early season's snowfall dusted the gazebo and grounds at historic Ship Yark Park.*
*The Town Christmas Tree stands decorated within, waiting for the Annual Lighting Ceremony.*

## Adoptable Animals

### *Cats and Dog Food*

Welcome once again to our weekly segment on adoptable pets in the tri-town area, brought to you by the friendly folks at the local chapter of Animal Umbrella, Inc.

This week, the group is proud to offer this lovely couple for adoption. First up is "Boots," a black and white male, about four years old with four white paws. His companion, "Marmalade," is a male orange tiger, also about four months old.

Thanks to the generosity of our readers, the group was able to place the two Abyssinian twins featured last week along with the two older black cats, and the "Benji" dog.

Still available are the beagle terrier and some female calicos.

If you are interested in these or any other "adoptable pets" in the tri-town area, just call either of our local Animal Umbrella, Inc. representatives — Priscilla Thompson at 758-2896 or Mary Lou Kobak at 758-9202.

Also, if there is anyone out there who could foster care some of our cats for a time while awaiting adoption, please call to help alleviate our over-

As promised last week, on Saturday, December 12, Animal Umbrella, Inc. will be holding a dog food drive to help support their efforts. Cases of high-quality Hills Science Diet Lite dog food were mistakenly given to the organization which, as you know, deals mostly with cats. So now they are offering this quality dog food to area pet owners for a nominal donation to their efforts. Anyone who makes an $8 donation will receive one case (24-15.5 oz. cans) of the dog food, or two cases for a $15 donation. Retail value of a case of the dog food is $21.95, so you can take advantage of an excellent deal while helping a worthwhile cause.

The drive will be held from 9:00 am to 3:00 pm at two locations: 446 Washington Street in

## Mattapoisett Selectmen's Meeting

*December 8, 1992*

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, December 1 at 7:07 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot, Selectman Daniel O. Mahoney and Executive Secretary Carol Adams.

Chairman DeCosta began the meeting by asking Selectman Mahoney to make a formal announcement. Selectman Mahoney said he wasn't sure that this was a proper forum, but agreed.

"As of April 4, 1993, I will have completed my three-year term as a Selectman," he said. "And as of today I have taken out nomination papers for another three-year term. I hope to get the signatures of 25 upstanding members of the community pledging to support me."

Both Selectman Lambalot and Chairman DeCosta were pleased to hear Selectman Mahoney's announcement and said they looked forward to serving alongside him in the years to come.

After the board signed all payrolls, bills, licenses, permits and outgoing correspondence for the week, Ms. Adams wanted to mention that she

received a call from the Housing Authority earlier in the day inviting the board to a Christmas Party and Pot Luck Supper to be held on December 14 at 5:00 pm.

Selectman Mahoney then moved to approve the minutes of the December 2, 1992 meeting as presented, which was seconded and made unanimous by the rest of the board.

A license renewal request came from the Reservation Golf Club for two automatic amusement devices — in this case, a jukebox and two video games — for use at the facility. The board unanimously approved the license renewal for 1993.

A request was also made by ComGas to obstruct and disturb the surface of 1 Atkinson Way for the purpose of installing a new gas service three feet deep. The board also unanimously approved this request.

Before going on, Selectman Mahoney asked that an amendment be made in the minutes previously approved for December 2, 1992. He told Ms. Adams that the minutes should specify the board "approved all liquor license renewals" for 1993 "as applied for by owner." Mr. Mahoney wanted the distinction to be made in case of legal misinterpretations.

The board next took their scheduled 7:30 pm appointment with Council on Aging (COA) Chairman Evelyn Pursley. Ms. Pursley said she came before the board to discuss plans and strategies for the ever-growing population of seniors in America, and specifically here in the Mattapoisett area.

According to Ms. Pursley, federal and state funding for senior programs has not been significantly increased for 1993 and she is concerned that organizations like the COA will not be able to meet the needs of all seniors in the years to come.

"In Mattapoisett we have about 1583

"I'd like to get some input from the Board of Selectmen as to how we can provide better or increased services to seniors in our area," she said.

Ms. Pursley suggested that a joint meeting of all town organizations — including the Friends of the Elderly and the Mattapoisett Seniors Club — be held along with town officials so that a strategy and plan could be mapped out to better serve the town's older citizens.

The board was very supportive of Ms. Pursley's idea and said they would do whatever they could to assist. Selectman Mahoney also asked that she inform the board as to when the meeting will be held so that they may attend.

"We'd like to be able to help you in any way we can," Selectman Lambalot said.

Chairman DeCosta next went over the following meetings and events scheduled throughout the week:

• December 9, 7:00 pm — Annual Christmas Tree Lighting at Ship Yard Park

• December 10, 3:00 pm — Marion/Mattapoisett/Rochester Co-Op Meeting, Marion Town House

• December 11, 7:00 - 9:00 pm — YMCA Camp Christmas Open House.

Under incoming correspondence for the week, Chairman DeCosta began with a letter announcing a joint meeting of the Mattapoisett, Marion and Rochester Boards of Selectmen to be held on Thursday, January 28 at 7:00 pm in the Marion Town House. The meeting is being held to discuss common concerns in the three towns and potential solutions to pending problems.

The Marion/Mattapoisett/Rochester Housing Co-Op, Inc. also sent announcement of their next meeting, slated for Thursday, December 10 at 3:00 pm in the Marion Town House.

Town Clerk Lois K. Ennis informed Selectmen that she had been provided information regarding the town's enhanced "911" emergency phone system, for which the town is now being reviewed for approval. According to Ms. Ennis, those streets with the same names (i.e. Bay View Avenue, Highland Avenue) will be referred to by name plus a two-digit code to differentiate them

from one another. This will greatly aid the locating of homes by police, fire and medical officials in the emergency communications system.

A copy of the minutes from the Council on Aging's November 10 meeting was next sent to the board for review.

Police Chief James F. Moran next submitted proposal as recommended by Safety Officer Paul Magee, regarding the installation of four-way stop signs at the intersection of Pearl and Hammond Streets and the intersection of Barstow and Hammond Streets.

Due to a large amount of traffic from Center School, St. Anthony's Church and the tennis courts in the area, both Chief Moran and Officer Magee recommended that the four-way stop signs be erected to decrease the high speed traffic on Hammond Street between Main and Barstow.

Chairman DeCosta asked Selectman Lambalot if he thought it was a good idea, to which Mr. Lambalot said the four-way stop sign is becoming very popular and seems to work. He recommended that they approve the request and if doesn't help, they can always remove the signs.

The board unanimously agreed to have the stop signs installed at the specified locations.

Old Colony Vocational Technical High School's Superintendent/Director, David J. Ferreira next informed the board that the school will be holding more Municipal Word Processing courses the response to the first sessions was excellent. Mr. Ferreira said he would inform them as to when the next sessions will be held and thanked them for the support of the program.

Under outgoing correspondence for the week, the board sent a thank you letter to Mr. Kevin Chin for donating a WordPerfect software program to the town's Water Department.

The board also sent a memo regarding the

schedule for 1993 and a note to the Tree Warden about a recent donation to the town.

There being no Selectmen's Discussion items, Ms. Adams reported that Silvio and Lucy Cincotta of 6A Snowfields Road had contacted her about donating a parcel of land to the town located off North Street. The 9,148 square foot section of land is unbuildable in that it doesn't meet zoning requirements set by the town as to size. The land is marked as Lot 78 on Parcel 92 and is listed as Churchwood Street, although that is only a "paper street," as Ms. Adams put it.

"I told him I would bring it before the board and would let him know what you thought," she said.

Selectman Mahoney referred to the recent problems they had at the last Special Town Meeting in getting voters to approve gifts of land. "We'll be faced with the question of why are we taking it off the tax books," he said. "But if we don't take it, we'll eventually get it by default and it will cost us more money."

Mr. Mahoney then suggested that the board at least view the property first before making a decision on the matter, to which Chairman DeCosta and Selectman Lambalot agreed.

Ms. Adams also said that she will be accepting bids beginning January 4 to print the Annual Town Reports and Town Meeting Warrants. The bid will entail Town Reports for 1991 and 1992, along with the 1993 Annual Town Meeting Warrant. More details will follow on this next week.

There being no further business to discuss, the board adjourned at 7:48 pm.

7:00 pm by Chairwoman Loretta B. Schaefer. Also present were Selectman Edwin "Ted" Pratt Jr., Selectman James S. Dougall, Executive Secretary Ray E. Pickles and Secretary Helene Craver.

After signing warrants, license renewals and correspondence for the week, the board approved the minutes of the December 2, 1992 meeting as presented.

The only piece of incoming correspondence for the week was from the Plymouth County Commissioners regarding the enhanced emergency "911"set-up in the area, which is now being proposed as a regionalized system.

A special questionnaire was sent to the board to determine what the best approach would be for the 911 system in individual communities. The questionnaire is to be returned to Commissioner Robert Stone for consideration.

There being no further matters to come before the Board of Selectmen, they moved to adjourn to consider matters before the Board of Health.

Under incoming correspondence, the board received a copy of a letter from Edwin "Ted" Pratt Jr. to Bernard McCourt, District Highway Engineer.

The letter was to confirm the results of an on-site meeting with Lou Chigisola, State Resident Engineer on Route 105 held on December 1. The purpose of the meeting was to review the status of the drainage basin at the location.

Mr. Pratt specified that the basin meets the following criteria be met before the project is completed:

• Provides a drainage facility that has no standing water in it, except after storm events

• Meets the design criteria for detention and flow permitted under the Marion Conservation Commission's Order of Conditions

• Provides for the agreed-upon remaining road bed allowing for the passage of emergency vehicles along the Town of Marion right-of-way

• Provides for the grading of the area so that surface run-off from the road and the old trolley right-of-way and from abutting properties is directed away from the drainage basin.

A copy of a second letter from Mr. Pratt to Michael Bryan-Brown was next sent to the board. The letter was regarding the town's process of forming a long-term wastewater treatment and septage management facility. According to Mr. Pratt

in the letter, "the Board of Health has been approached by Advanced Water Technology, Inc. with several new products which, in combination, appear to offer the scale of facility required to service Marion's needs."

Mr. Pratt said the Board of Health is prepared to try to obtain permission from Federal and State Agencies for the purpose of promoting the project.

There being no further matters to come before the Board of Health, they voted to adjourn for the evening.

### Rochester Selectmen's Meeting
*December 7, 1992*

A meeting of the Rochester Board of Selectmen was called to order on Monday, December 7, 1992 at 7:00 pm by Chairman Harry A. Brown Jr. Also present were Selectman David L. Hughes, Selectman Lorraine R.C. Roy and Secretary Shirley A. Ferreira.

Before approving the minutes of the November 30, 1992 meeting, Selectman Roy had one change she wanted to make regarding her vote on signing the bond with Sandwich Cooperative Bank to purchase the new ambulance. That decision was made by a unanimous vote of the board and not by a majority. That correction made, the board unanimously approved the minutes.

A scheduled 7:00 pm appointment with resident Carolyn Lawrence was next on the agenda. Ms. Lawrence wanted to focus on the matter of making photocopies during meetings either in the Selectmen's office or conference room. Ms. Lawrence said that the machine makes a great deal of noise in a room that is already difficult to hear in. She suggested that all necessary copies be made before or after the time when meetings are in progress.

Chairman Brown agreed and asked

Selectman Hughes if, while attending meetings as a resident, he had difficulty hearing. Selectman Hughes said he did and suggested first that board members all speak up a little more while meetings are in session and motioned that a sign might be posted to prohibit photocopies during meetings.

The motion was seconded by Selectman Roy and made unanimous by Chairman Brown.

The board next took their 7:15 pm appointment with Police Chief Walter V. Denham and Lawrence "Tubby" Wright, who does mechanical work on the town's police cruisers. Chief Denham wanted to inform the board that the department's second newest cruiser — a 1989 model — has a leak in the radiator which is seeping into the base of the engine (oil pan). This was of some concern to the chief in that the other operational vehicle — #85 — is approaching 200,000 miles and he's not sure how long that will last in its present condition.

Chief Denham wanted the board's opinion as to what should be done in terms of either repairing the newer car — which is otherwise in excellent condition — or finding a replacement.

Selectman Hughes asked how much it would cost to replace the engine in the 1989 model.

According to Mr. Wright, he would recommend installing a new engine seeing as it has 122,000 miles already. That would cost somewhere around $1800 to $2000.

Chief Denham said that since this is an unforeseen expense, he doesn't have any money in his budget to pay for the new engine.

Selectman Roy at this point asked about the

now-defunct K-9 unit formerly used by Det. Lt. Bruce Torres. Chief Denham said that it also has about 200,000 miles on it, but it could be used in the interim as a backup unit, to which Selectman Hughes agreed.

"I would suggest for now that you put the K-9 unit back into service — this way if it dies, we can just get rid of it," he said. "In the meantime, we can talk to the Finance Committee (FinCom) and see if we can get them to transfer the money for the repair."

Selectman Roy said she had no objections to the chairman going ahead with the board's blessing if the FinCom approves the transfer. "I think it would be advisable to transfer the $2000 to repair the 1989 cruiser," she said.

Chief Denham was of the same mind. "I don't think we should risk fooling around with a car that is otherwise in very good shape," he said,

"because we can keep that car another two years on the road. We'll be able to get by in the meantime. I just wanted to know what the board would like to do about repairing the existing vehicle."

Selectman Hughes then made a formal motion to put the K-9 cruiser back into service as needed and ask the FinCom for the money necessary to repair the 1989 model police cruiser. The motion was seconded by Chairman Brown and made unanimous by Selectman Roy.

Chairman Brown asked Ms. Ferreira to contact Patricia Ryan, Chairwoman of the FinCom, regarding the police cruiser.

The board next went over incoming correspondence for the week, beginning with a letter from the Massachusetts Intermunicipal Insurance Association (MIIA) regarding the town's insurance rates. Chairman Brown said that they have been fortunate to deal with MIIA in getting reduced insurance rates for town employees.

A letter from Old Colony Regional Vocational Technical High School was next on the agenda regarding the recent computer course which was offered to municipal employees. Selectman Roy asked that a "thank you" letter be sent from the Board of Selectmen to Old Colony for providing the course. The board unanimously agreed.

The chairman next cited a notice from Plymouth County regarding the town's installing of an emergency "911" telephone system at the communications center. The notice referred to plans

for regionalizing the system, whereby Rochester wouldn't have the system at the local police station unless money was provided from municipal funds. Chairman Brown disagreed with this proposal.

"I would advise that we stay away from the regional set-up and look at localizing the system in town," he said. "We are equipped to handle the new system, all we have to do is enlarge the existing communications room. We've met all the other necessary requirements."

Notification was sent concerning the discontinuance of a portion of Old Neck Road as a public way by order of Plymouth County. Chairman Brown explained that the section of road was deeded to property owners by the county at no charge and was previously approved by Town Meeting voters.

A legal opinion was filed from Kopelman and Paige upon the request of the Board of Appeals. Chairman Brown said he didn't recall the board notifying him about seeking legal counsel, which should be done by all municipal boards.

Selectman Hughes asked whether it would be a good idea to send a memo reminding all town boards about contacting the Selectmen before seeking a legal opinion. Under new by-law provisions, all legal advice must go through the Board of Selectmen. Chairman Brown agreed and the board unanimously moved to send a memo outlining the procedures for seeking legal advice.

Chairman Brown next cited three letters which were sent to the board expressing interest in the position of dispatcher with the town's Communications Department. To date, Rebecca A. DeCosta, Kelly Hartley and Paul Stewart have all expressed interest in the position. According to Chairman Brown, Chief of Communications Scott Ashworth has advised him that another part-time opening is now available in the department. Selectman Roy asked if all candidates can come before the board with Mr. Ashworth so they can make some type of assessment of who is the best qualified for the position. Ms. Ferreira said she would contact them.

A copy of the Watershed Survey was sent from the City of New Bedford asking the board to consider employing new zoning regulations. Chairman Brown vehemently said he would hold off on this matter, especially in light of the fact that New Bedford hasn't cooperated in the past on similar matters relating to water usage. "We're getting nowhere with New Bedford," he said. "I don't think

we should put regulations into effect to protect their resources."

A copy of the SEMASS Resource Recovery Facility Water Withdrawal Permit was next sent to the board to keep on file, along with an Extension Permit for Betty Myers.

A notice was sent to the board from the Joint Transportation Planning Group advising them of a Christmas Party to be held on Wednesday, December 9 at 7:30 pm in Taunton.

Selectmen received an invitation to meet with both the Marion and Mattapoisett Boards of

Selectmen on Thursday, January 7, 1993 at the Marion Town House at 7:00 pm. Among other items, Chairman Brown said the three boards plan to discuss common concerns like plans to institute a regional recycling program and composting area, and renovations to Old Rochester Regional High School. All three board members said they would attend the joint meeting.

The board next discussed liquor license renewals for 1993 permit holders. Chairman Brown cited requests from the following establishments with accompanying hours of operation:

- Lloyd's Package Store — 8:00 am - 11:00 pm (Monday - Saturday)
- Adrian's Package Store — 8:00 am - 11:00 pm (Monday - Saturday)
- Rochester General Store — 8:00 am - 11:00 pm (Monday - Saturday)
- Old Ruggles Inn — 12:00 noon - 11:00 pm (downstairs, Monday - Sunday)
- Plumb Corner Market — 8:00 am - 9:00 pm (Monday - Saturday).

There was some discussion on certain applications which did not list a manager for the establishment which, according to Chairman Brown, would make the license void. "Legally, we can't issue a license without a manager on file," he said.

But Ms. Ferreira explained that the Alcohol and Beverage Commission (ABC) has already approved previous licenses as filed and that they are responsible for completing the application, not the town.

But Selectman Hughes was concerned that the board is responsible for granting liquor licenses, which they in turn should check for accuracy. This way the town cannot be liable for any violations or problems.

"I agree with (Selectman Hughes)," Chairman Brown said. "We are responsible for investigating and verifying who is responsible for the liquor license."

Chairman Brown had a particular problem with the application for Old Ruggles Inn, which listed a manager who no longer worked for the establishment. Ms. Ferreira explained that there are legal matters pending with the business regarding outstanding violations and she has received confirmation from the owner's attorney that a manager is on duty.

Selectman Roy then moved that the board approve and sign all liquor license renewals for 1993, which Selectman Hughes seconded with the

stipulation that all the necessary paperwork be completed by the owners of each respective business.

With the motion on the floor, Selectman Hughes also advised those establishments which have not yet filed their renewal application to do so before December 31, 1992 and pay the necessary fees ($410, beer/wine; $710, all alcohol). When asked what other business he was referring to, he mentioned Towne Pizza, which Ms. Ferreira had inadvertently left out of the file.

Selectman Roy then amended her motion to include Towne Pizza. Chairman Brown said he personally wasn't comfortable with approving all licenses as filed and abstained from voting. The motion was passed with a majority vote of the board.

Under Old Business, the board rescheduled their inspection of sites for Earth Removal Permits (Class II and Class III) to Saturday, December 12 at 8:00 am.

Chairman Brown noted a letter from the United Way asking to meet with town employees to discuss payroll deductions to go to the group's efforts. Chairman Brown said he would talk to some of the town employees about this matter.

The board was reminded that the town's Christmas Tree Lighting will take place on Thursday, December 10 at 6:30 pm in front of Town

Hall. Chairman Brown said he would pick up the refreshments.

Selectman Hughes asked about the discussions last week concerning conducting an audit of the town. He said that since the Finance Committee (FinCom) seemed generally in favor of doing so, the board should go ahead and make the necessary plans to hold a Special Town Meeting to appropriate the money.

Although some of the representatives from area banks had recommended conducting a three-year audit beginning with 1990, Selectman Roy said they should begin with the current fiscal year.

"If we're going to pay for an audit, the town would never approve going back three years," she said. "We should plan on auditing three years beginning with this year."

All board members agreed and said it should be done every year from here on and should be included as part of the town's operating expenses.

Selectman Hughes recommended that the town bid out the audit and since it will only be for one year and would cost approximately $7500, he said it could be conducted via telephone solicitation.

Town Treasurer Doris Blanchette said that she already had some written proposals and costs,

but Selectman Hughes said that legally, any and all bids of this kind had to go through the town's Procurement Officer, who is Shirley Ferreira. Ms. Ferreira was advised to get three bids on conducting an audit of the Town of Rochester for fiscal year 1993.

Chairman Brown then suggested holding a Special Town Meeting to transfer the money for the audit on Monday, January 11, 1993 at 7:30 pm. Upon Town Clerk Naida L. Parker's approval of the date, the board unanimously passed the measure and set the deadline for submission of articles at December 18, 1992 at 12:00 noon — with the exception of money articles, which cannot be accepted since the tax rate has already been set for fiscal year 1993.

There being no further business to discuss, the board unanimously voted to adjourn at 8:21 pm.

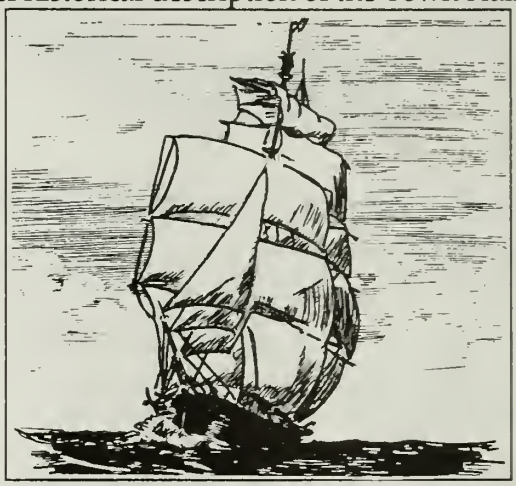
announce two new sale items just in time for holiday gift-giving.

First is the Town Hall Ornament, a decorative tree or window hanging, delicately designed by George C. Avila, this piece is gold colored with gold cord and is approximately 2 x 2-1/2 inches. The ornament is affordably priced at $5 and comes with a brief historical description of the Town Hall.



THE BARK "WANDERER"

Next is "Wanderer" notepaper, a single-fold note card with sketch of the bark *Wanderer* under full sail and brief historical description of this famous whaler. A package of 10 note cards and envelopes sells for $3.25.

You may purchase either of these items now at the Historical Museum (opened Tuesday - Thursday, 9:00 am - 12:00 noon) and at our Christmas Open House on December 20.

In addition, the Society is still offering its "Walks Around Mattapoisett" booklet for $5 each. Any of these items would make a wonderful gift for Mattapoisett residents past and present.

### Literary Magazine Debuts

The life of a writer trying to get published and recognized is pure frustration.

Double that amount of frustration if you've decided to write poetry.

So when you encounter other writers who deserve to be published and you're a writer yourself, what can you do?

It was a simple answer for four individuals with local area ties — publish the best literary journal they could to showcase local poets, fiction writers and artists.

And that's just what *TENZONE* has become.

Mattapoisett poets Lewis Hammond Stone and Susan Grace along with recent UMass Dartmouth graduates Jon Maxwell and Steve Prygoda put together a dynamic journal that crackles with fine poetry and high-tech graphics. The name of the journal is taken from the poem by Ezra Pound where the poet wonders if his/her words will ever be

accepted and recognized.

"Lewis convinced us there was a definite need for this," said Mr. Maxwell, who designed and handled all the graphics and layout. "He was the driving force and made it very clear to all of us from the beginning that *TENZONE* was not going to be used as a vehicle for self-publication or promotion."

"That's why I volunteered my time," said Mr. Prygoda, an English major and published poet himself. "This magazine is for poets and writers and artists who wouldn't ordinarily be printed to get their work out to the public. If it wasn't for Lewis, this thing wouldn't have happened."

Lewis Hammond Stone, the person who is the driving force behind *TENZONE* is a nationally-awarded and published poet. Mr. Stone has conducted and sponsored a variety of poetry events in the Southeast New England area.

Mr. Stone's goals and everyone else's for *TENZONE* are simple.

"*TENZONE* wants to move you with the power of the written word," said Mr. Stone. "It's really simple. There are a lot of writers out there who deserve to be published and we're going to publish as many as we possibly can with the money we raise from subscriptions and donations."

All monies generated by *TENZONE* go directly to printing costs and postage. No staff members are paid. The editorial selection process is done with complete anonymity. None of the editors sees a name on any manuscript.

"I think that's really important about complete anonymity," said Mr. Stone. "There's just so much pressure these days for friends-to-publish-friends and colleagues in universities to publish other titled colleagues and proteges. It's enough to make you barf with some of the bad writing pimped onto the literary scene."

This is the main reason *TENZONE* uses outside editors other than its own staff. "It seems a lot fairer this way even though I may not agree with the editor's decision about what goes in or stays out," Mr. Stone said.

The concept of literary fairness is what first intrigued Susan Grace about the project. Ms. Grace has her own entertainment-talent agency and has worked for small presses in the past.

"I'm thrilled to be part of something that's going to do so much good for area artists," Ms. Grace said. "It was a great feeling to see that first issue and how well it came out."

## Old Hammondtown School

*Holiday Musical Events*

Members of the Old Hammondtown concert and jazz bands and the school's chorus will, once again, have a busy holiday concert season this year.

On December 15 at 7:00 pm and again on December 16 at 9:00 am, Mr. Ellis and Ms. Bessette will perform their Annual Christmas Concert at Old Hammondtown School. There is no admission charge and the public is welcome.

On December 17, the Old Hammondtown

Concert Band will be performing for the Woman's Club at the Congregational Church. Later that evening, Mr. Ellis, who has recently been appointed the Old Rochester Regional Junior High Jazz Band Director, will be performing a few numbers with the junior high band.

Both Mr. Ellis and Ms. Bessette hope to see many residents at any or all of their musical Christmas activities and would like to thank everyone for their continued support of the Old Hammondtown music program.

*Can and Bottle Collection*

Once again the sixth graders at Old Hammondtown School are collecting nickel deposit cans and bottles to help raise funds for their annual ski trip to King Ridge. Collection days are every Thursday. Returnables can be dropped off in the lobby at Old Hammondtown between 8:00 am and 3:00 pm. Receipts from this effort will be used toward the bus charters. Last year's recycling campaign was a big success, thanks to the generosity of our community.

Future fundraisers include an annual baked goods sale at the school Christmas concert and a family spaghetti supper scheduled for January.

### Mattapoisett Board of Health

Effective December 14, 1992, the Mattapoisett Board of Health has announced the trash pick-up schedule under their newly-awarded contract with ABC Disposal of New Bedford. Regular pick-up times will be on Thursday and Friday, unless a holiday falls on one of those days, in which case pick-up time will move up one day (i.e. Thursday holiday, pick-up days will be Friday and Saturday). Residents are advised to have their trash out by 7:00 am for pick-up the same day.

### Old Rochester Regional High School

*College Rep Visits*

Every fall college admissions representatives visit ORR to meet with seniors who plan to attend college. These visits provide students with an opportunity to meet with the reps and hear presentations on admissions programs, activities and financial aid.

Students must sign up in the Guidance Office the day before the rep is scheduled to visit. Students should check the weekly Guidance Bulletin for additions to this list.

The following colleges are currently scheduled:

- December 11 — Dean Jr. College.
- December 17 — Northwood College.

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude,worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.
Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. A.L.S.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. M.L.

Street in Marion. The screening is offered to 3- and 4-year old children residing in the towns of Marion, Mattapoisett and Rochester. The purpose of the screening is to identify young children with potential learning problems.

Funds to offer this monthly screening are provided by the Massachusetts Department of Education. Project GROW staff members will conduct the screening in the pre-school classroom at the school.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target," call 748-0100 to make an appointment.
